# HOKKAIDO UNIVERSITY

## About Hokkaido University

Hokkaido University, located in Sapporo, Hokkaido, Japan, is one of the oldest and most prestigious universities in the country. Founded in 1876 as Sapporo Agricultural College, it has grown to offer a wide range of programs across 12 undergraduate faculties and 21 postgraduate schools<sup>2</sup>. The university is known for its strong emphasis on research and innovation.

## Why Choose Hokkaido University

**Innovative Food Science:** Integrates traditional Japanese methods with modern technology in sustainable food production and fermentation.

**Leading Pharmaceutical Research:** Combines Japanese herbal medicine with advanced chemical engineering to develop novel therapies.

**Cutting-Edge Medical Technology:** Excels in biomedical engineering, creating advanced medical devices and diagnostics.

**Commitment to Sustainability:** Focuses on renewable energy research, especially geothermal, promoting environmental conservation.

**Interdisciplinary Approach:** Encourages collaboration across fields, blending traditional knowledge with modern research.

## Study Plan

Students will participate in a student exchange program during their sixth semester, spending one semester abroad.

Join Swiss German University and explore this exceptional student exchange opportunity with Hokkaido University, where academic excellence meets practical experience and global exposure in uniquely Japanese contexts.

STUDY PROGRAM (BACHELOR)	Development Fee (Only in 1 <sup>st</sup> Semester) (IDR)	Tuition Fees per semester (IDR/Semester)*	INTERNATIONAL SINGLE DEGREE	Hokkaido University, Japan	DOUBLE DEGREE
