

DOUBLE DEGREE PROGRAM

rev 10 Dec 24

HOCHSCHULE ALBSTADT SIGMARINGEN

About Hochschule Albstadt-Sigmaringen

Hochschule Albstadt-Sigmaringen (Albstadt-Sigmaringen University of Applied Sciences) is a prestigious state university located in the scenic Baden-Württemberg region of Germany. With a student body of around 3,100, it offers a dynamic learning environment focused on delivering high-quality education in Engineering, Computing, Business, and Life Sciences.

Why Choose Hochschule Albstadt-Sigmaringen

Practical Learning: The university emphasizes a hands-on, application-oriented approach to education, ensuring students gain practical skills that are directly applicable in their chosen fields.

State-of-the-Art Facilities: The campuses in Albstadt and Sigmaringen are equipped with modern laboratories, advanced technological resources, and innovative learning spaces.

Supportive Environment: Small class sizes foster close-knit communities, allowing personalized attention and support from dedicated faculty members. This environment encourages collaboration and individual growth.

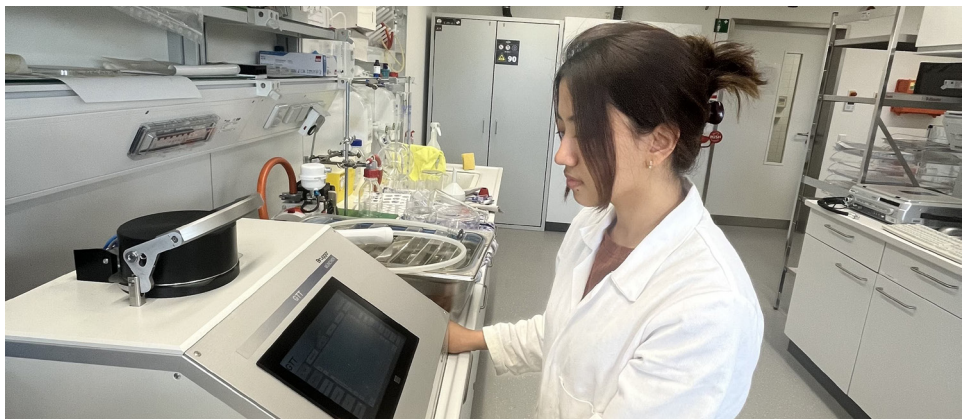

International Opportunities: Hochschule Albstadt-Sigmaringen is committed to fostering global perspectives. It offers numerous international collaboration and exchange programs, enabling students to gain valuable cross-cultural experiences.

Study Plan

- Students will complete semesters 1-4 in Indonesia and then spend semester 5 in Germany. In semester 6, they will participate in an international internship in Germany.

Explore this unique double degree opportunity with Hochschule Albstadt-Sigmaringen at Swiss German University!
