

DOUBLE DEGREE PROGRAM

SOLBRIDGE
INTERNATIONAL SCHOOL OF BUSINESS

SOLBRIDGE INTERNATIONAL SCHOOL OF BUSINESS

About Fachhochschule Solbridge International School Of Business

Located in Daejeon, South Korea, Solbridge International School of Business is a leading AACSB-accredited institution offering a dynamic and multicultural learning environment. Established in 2007, Solbridge emphasizes practical business skills, critical thinking, and leadership, preparing students for successful careers in the global market.

Why Choose Solbridge International School Of Business

Global Business Education: Offers a curriculum taught entirely in English, with a focus on international business practices and cross-cultural competence.

Diverse Learning Environment: Boasts a multicultural student body and faculty from over 60 countries, fostering a truly global perspective.

Practical Experience: Provides hands-on learning opportunities through internships, capstone projects, and industry collaborations.

Strong Industry Connections: Partners with leading global companies, offering students valuable networking and career development opportunities.

Study Plan

Students will participate in a student exchange program during their sixth semester, spending one semester abroad.

Join Swiss German University and explore this exceptional student exchange opportunity with Solbridge International School of Business, where academic excellence meets practical experience and global exposure.
